

E8121L- Smoothie Eyelid Light - Copper - 12v

Description

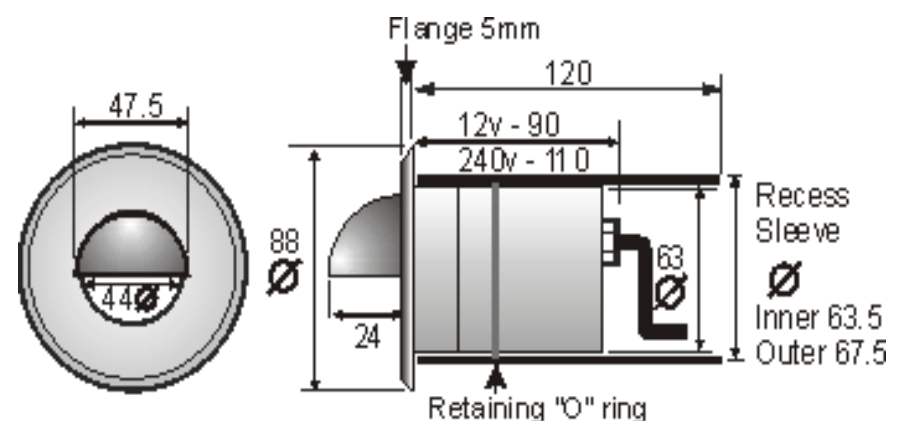

E8121L is a stylish 12v recessed light for illuminating steps or patios which can take a choice low energy led lamp. Order lamps separately. Smoothie is fitted with a frosted lens as standard to diffuse the lighting and the eyelid hood hides the lamp from above when walking past. The light is located by an "O" ring on the body into a sleeve tube so that no external screw fixings are visible. Remember that recessed steplights are in effect recessed spotlights - avoid using them facing viewpoints.

Electrical data	12v MR16, dimmable with suitable Transformer and/or LED
Colour/ Finish	Natural copper top with an Aluminium body.
Exterior Dimensions	88mm top and body of 90mm x 63mm. plastic sleeve 120mm x 67.5mm

Installation guidelines

The plastic sleeve is built into the wall during construction or retrofitted into a hole cut with a coring bit: the light pushes into the tube, where it is held firmly in place by an "O" ring, leaving a front plate with no visible fixing screws. Recess depth 120mm Smoothies should not be installed in ground subject to waterlogging.
